

# GREEN ARCHITECTURE DESIGN AND PRACTICE IN HK

**INVITED SPEAKER: MR. K.S. WONG, DIRECTOR OF RONALD LU & PARTNERS LTD**

**DATE & TIME: 18:00-19:30PM, 9Nov(WED)**

**VENUE: MEETING ROOM, RONALD LU & PARTNERS LTD, WANCHAI, HK**

Mr. K S Wong, an architect with over 20 years of architectural practice and recognized by both local and international awards, is Director of Ronald Lu & Partners and leads the in-house Sustainability Steering Committee (SSCom). His current projects, ranging from master planning, building design, urban regeneration to research studies, include Sustainability Master Planning for HK Science Park Phase 3, Transformation of Jockey Club Environmental Building for Business Environment Council, Centre for Healthy Life in Tuen Mun Hospital and Urban Design Study for Ma Tau Kok Waterfront. He also serves as PGBC Chairman and HKIA Vice-President, and teaches in various universities on an adjunct basis.
