Dear

Professional (CPD) Workshops Environmental and Sustainable Design

The Department of architecture, The Chinese University of Hong Kong is organizing a number of workshops related to the captioned topic in the coming academic year (2004-2005). They are designed for Professionals working in the field wishing to learn more about the subject. The workshops, part of our MSc in Environmental and Sustainable Design Programmes, are now available to working professionals as non-degree CPD training. Participants who have completed the workshop and all assignments to a good level of achievement will be awarded a *Certificate of Merit*. Professional with this certificate(s) may be offered exemption to courses of the MSc and Postgrad Dip programme if they subsequently wish to enroll formally.

FULL Workshops available in 2004-2005 are:

Acoustics & Urban Acoustics

Professor Jian Kang, Sheffield University, UK
