2. Course Information

Information of BSSc courses to be offered in the academic year 2016-17 will be available on the School website http://www.arch.cuhk.edu.hk/v1/index.php/courses/courselist/design in early August.

3. Announcement to Students on Course Enrolment

**BSSc Year 1**
- All Architecture students are required to complete ARCH1001 Introduction to Architecture and two other Faculty Package courses to fulfill the Faculty Package requirements. You are recommended to fulfill the Faculty Package requirements in the first year.

**BSSc Year 2** (Students who are promoted from BSSc Year 1 taking Architecture as major)
- The School will pre-assign all studio and required courses for Architecture major students according to the prescribed study scheme. Please check your course enrolment records under CUSIS carefully. In case there are courses missing, please contact Miss Carol Wong at the General Office by 3943 1309 or carolwong@cuhk.edu.hk as soon as possible.
- You are required to take two architecture electives during your entire study period for fulfilling graduation requirements. We recommend you to take the courses in BSSc Year 4.
BSSc Year 2 (Broad-based /JEE Mainland /Change of Major students)
- The School will pre-assign all studio and required courses for Architecture major students according to the prescribed study scheme. Please check your course enrolment records under CUSIS carefully. In case there are courses missing, please contact Miss Carol Wong at the General Office by 3943 1309 or carolwong@cuhk.edu.hk as soon as possible.
- ARCH1001 Introduction to Architecture is a required course for all Architecture students. Please notify Miss Carol Wong at the General Office by 3943 1309 or carolwong@cuhk.edu.hk if you have not taken this course before.
- You are required to take two architecture electives during your entire study period for fulfilling graduation requirements. We recommend you to take the courses in BSSc Year 4.

BSSc Year 2 (Students admitted to Architecture with advanced standing)
- The School will pre-assign all studio and required courses for Architecture major students according to the prescribed study scheme. Please check your course enrolment records under CUSIS carefully. In case there are courses missing, please contact Miss Carol Wong at the General Office by 3943 1309 or carolwong@cuhk.edu.hk as soon as possible.
- All Architecture students are required to complete ARCH1001 Introduction to Architecture and two other Faculty Package course to fulfill the Faculty Package requirements. You are recommended to fulfill the Faculty Package requirements in the first year.
- You are required to take two architecture electives during your entire study period for fulfilling graduation requirements. We recommend you to take the courses in BSSc Year 4.

BSSc Year 3
- The School will pre-assign all studio and required courses for Architecture major students according to the prescribed study scheme. Please check your course enrolment records under CUSIS carefully. In case there are courses missing, please contact Miss Carol Wong at the General Office by 3943 1309 or carolwong@cuhk.edu.hk as soon as possible.
- ARCH1001 Introduction to Architecture is a required course for all Architecture students. Please notify Miss Carol Wong at the General Office by 3943 1309 or carolwong@cuhk.edu.hk if you have not taken this course before.
- You are required to take two architecture electives during your entire study period for fulfilling graduation requirements. We recommend you to take the courses in BSSc Year 4.

BSSc Year 4
- The School will pre-assign all studio and required courses for Architecture major students according to the prescribed study scheme. Please check your course enrolment records under CUSIS carefully. In case there are courses missing, please contact Miss Carol Wong at the General Office by 3943 1309 or carolwong@cuhk.edu.hk as soon as possible.
- You are required to take two architecture electives during your entire study period for fulfilling graduation requirements. Please enroll in the elective(s) of your choice under CUSIS. Since the class quota for electives are limited, it is very important that you do not enroll in more courses than you need. You are only allowed to enroll in a maximum of two electives under CUSIS during the course selection period. Students who have enrolled in more than two electives will be dropped out from all electives automatically by the General Office and they can only enroll again during the add/drop period. Please contact Miss Carol Wong
at the General Office by 3943 1309 or carolwong@cuhk.edu.hk should you have any questions.

For any enquiries related to BSSc (Architectural Studies) programme, please contact Miss Carol Wong, Programme Administrator (T: 39431309; E: carolwong@cuhk.edu.hk).
