#Applicants will only be requested to submit hard copies of supporting documents after you receive the offer. Therefore, please do not submit hard copies to the School of Architecture before you receive the offer.

Notes to Applicant

Please refer to Graduate School Office’s website for the latest announcement on the admissions requirements. More detailed information on the supporting documents required by the University and frequently asked questions (FAQ) can be found at the [Graduate School website](#).

The ultimate judgment and decision as to whether the conditions for admission are fulfilled by the applicants shall be vested with the School of Architecture. As a general policy, no refund will be arranged upon acceptance of an offer except under special circumstances as deemed by the School of Architecture.

Design Portfolio

The portfolio of independent work should illustrate independent studies and your own work from practical experience and should be accompanied by a commentary of **not more than 1500 words**. The portfolio **should not exceed A3 size (landscape format) and no more than 20 pages (include the cover and content page)**. It should be selected to fit the best to the materials which you want to present, including **3 projects and no more than 10 pages each**. In general, the portfolio should inform in a concise way about your school and practical work. It should not be a loose collection of material; but be clearly structured to reflect your educational and practical experiences. Proper credit and context must be given for all work shown including author, collaborators, and professional office in which the work was completed. Failure to properly credit work may result in the portfolio being discounted or the applicant being disqualified. Please put down your full name on the front cover of the portfolio for ease of **identification**.

Applicants are requested to submit a portfolio that shows three projects only, highlighting the Design Evolution and Design Process behind each project. We are interested in understanding your architectural thinking, seeing the progression you have made during your studies and your approach towards architecture. The portfolio should be edited and conceived as a project in itself; a reflection on what you have achieved in your undergraduate studies and a suggestion as to what you would like to study in the future.

Portfolios of (a) previous school work and (b) independent work with your full name and application number marked on the cover should be **uploaded** to the School of Architecture [application materials collection platform](#) no later than **31 January 2027 (1st Round) or 31 March 2027 (2nd Round)**. **No hard copy is accepted.**
